<sup>1</sup> P: Parker Duofold Pen

PC: Parker Duofold Pen Canada

PM: Parker Duofold Made in USA

LC: Lucky Curve

A: Parker Arrow nib. Parker used these as replacement nibs when servicing pens in the 30's.

<sup>2</sup> A re-tipped nib is a vintage nib that has been restored to new condition by installing new iridium on the writing surface of the tips of the nib tines. These nibs are super smooth writers. Nib sizes are judgments since they are not marked.

<sup>3</sup> S: Small Imprint with Lucky Curve banner

M: Medium Imprint with Lucky Curve banner

SW/O: Small Imprint without Lucky Curve banner

<sup>4</sup> \*: Does not interfere with the function of the pen.

<sup>5</sup> none: This means no cracks or chips in the body of the pen. There may be some superficial marks from use on the pen including some marks on the blind caps.

<sup>6</sup> Slightly worn, but complete barrel imprint.
